Bleatings

GOAT

SEVERAL WEEKS AGO a gentleman brought in a wallet he had found on Campbell Avenue to leave with us. We have been sort of a clearing house for lost and found items. Dogs, cats, and glasses have been the most popular items.

IN CHECKING THE CONTENTS of the wallet we found some money and a few identification cards. Using our "Sam Spade detective mind" we figured that the thing could belong to a Mrs. Prout on Central Avenue. So on our way we stopped by to return the wallet. On the front door we found a note informing us that no one was home and would callers call a listed phone number. We walked to the Police Department to use the phone. After talking to the relieved woman we told her that we would leave her wallet with the Police for her to pick up at her convenience.

JUST A FEW DAYS AGO Mrs. Prout came into our office to thank us for returning her wallet and gave us a bag with a jar of homemade jelly and a jar of homemade marmalade.

AND NOW WE HAVE ANOTHER problem. We had taken the gentleman's name and address, the one who found the wallet in the first place; but after giving it to Mrs. Prout on the phone we destroyed it. Our problem is that we would like him to have a bit of these goodies but how do we find him?

AND TO MAKE MATTERS worse, once we open the jars our staff will go through Mrs. Ritter's cookies and Mrs. Prout's jelly so fast there won't be time to look for the deserving gentleman. So about the best we can do is to try to keep the crew away from the bag until the end of the week. Then it will be every man for himself around the cookie jar and jelly jars.

WE HEARD A COUPLE OF rumors the other day that could be of interest to many of our readers. One was the fact that the IOOF Hall on East Campbell Avenue and First Street may be condemned. The other rumor is that the Drive-In Theater may be thinking about moving a little further South between the IBM Card Plant and Division Street. The latter item should make some future Planning Commission and City Council meetings interesting.

PARKING ON E. CAMPBELL Avenue continues to be somewhat of a problem. We understand that many of the merchants park on the street all day long. One problem, in particular, when the Police Department gets around to checking, many local merchants find a citation on their windshield. We wonder how long it will be before the PD can make a point of checking the parking on a regular basis. We realize that it is not intentional, but it could easily be misconstrued as a "trap".

September 14 is target date for WVJC Freshman classes

Further investigation of the possible use of Campbell Grammar School as a temporary campus for West Valley Junior College freshmen continues, according to President, Dr. Wallace W. Hall. College officials were authorized to contact Los Gatos architects, Higgins and Root, to obtain an estimate of the cost of making the old school suitable for WVJC use. Trustees set September 14 as the first day of classes for the new college.

Campbell Grammar School, built in 1921, will be vacated by the Elementary School District in June. According to William Henley, Campbell School District Superintendent, the school has been declared "obsolete" by the State Board of Education because the cost of bringing it up to modern standards would be prohibitive. Rent for the school has been set at $48,000 annually. A purchase price is not yet available.

The school has approximately 76,000 square feet, 30 classrooms, an auditorium, library, and some office space. The school occupies about 12 acres. Dr. Hall indicated he was encouraged with the amount of space available.

Leon Poe, Santa Clara businessman and chairman of the WVJC Citizens Advisory Committee, reported that the group is being expanded and reorganized to encourage approval of the college's $16 million bond issue, to be voted on March 10. The committee will meet January 29 at 7:30 p.m., possibly in the WVJC Board Room, 4710 Campbell Avenue, San Jose, unless another location is found. He encouraged interested persons to attend.

Paving the way for the hiring of faculty members, the trustees approved a salary schedule for next year. With degrees, credentials, and experience as influencing factors, annual salaries for the new college will range from $6,350 to $12,050. Five teaching classifications will be used, with annual salary increments to be available in 11 steps.

Dr. Edwin Browne of Los Gatos, board member with more than 35 years' experience in public education commented, "If we don't pay them (faculty), we won't get them. It is the community which will benefit by having high-quality instruction. I think this is an excellent schedule."

Letters to the Editor

EDITOR'S NOTE... Because, in our opinion, of the importance of the two letters below, we have placed them on the front page. The first letter concerns many Campbell Citizens and their immediate future. We understand their grave concern. The second letter gains its importance, again in our opinion, because it shows our readers in Campbell and especially those out of the Campbell area the kind of people Campbell is made of. We hope you, our readers, agree as to our placing the emphasis on these letters.

The people on Railway Avenue have a few comments to make in their own defense, since they were so rudely called the "Slums" of Campbell.

We are quite disappointed in Mr. Rogers, inasmuch as we thought him a gentleman. We gave him our votes and asked our friends to do as much. We feel greatly insulted by his statement, and feel he owes us an apology; this street has a lot of "Clean Upright People" living on it.

Anyone can see it is "a sore eye" to any City, due to the credit of our "Great Managers", proving their good taste and how a City should look. Permitted a Shingle Company to litter half of the street within a few feet from our Main Campbell Avenue. In the next block, sheetrock is stacked, papers littered, and a machine shop standing almost in the middle of the road. We must admit Railway Avenue looks "a mess", not due to the homes, but our Dictators Management.

Homes have been condemned "as dangerous", and "not up to Code", they are only in need of some repairs, a good cleanup and paint job. Those homes look a Credit to the view across the street in front of them.

Mister Attorney Joseph Bonacina, should review upon the Constitutional Rights, under the 10th Amendments, it may prove the point, the people are having their Civil Rights invaded: The Bill of Rights state as follows:

"No person may be deprived of Life, Liberty, or property without due process of law, and The rights of the people to be secure in their persons, houses, papers, and effects against unreasonable searchers and seizures, shall not be violated, or shall private property be taken for public use, without just compensation".

This is not Russia, Thank God, the Constitution is still a law, to protect the people you have called "Slum", just the same as you.

We are more than willing to see this street cleaned up, as other streets should be, namely, Harrison, Central, First Street and others we could mention, (Oh Pardon! They are not across the tracks) all shacks and hazardous, shall be destroyed, but not good, comfortable, safe homes, just because they are located on Railway Avenue, Dillon or Gilman.

We are not all in "The Chick (Sales) Business".

We are peaceable Citizens attending to our own affairs.

We wonder if Mr. Lico can so easy forget his friends, "A Friend in Need is a Friend Indeed".

Dear Sirs:

We have some wonderful neighbors who are always doing things for the rest of us who are not able to get around to doing many things these days so we would like to have you print this little write up and dedicate it to Mr. and Mrs. James H. Prout, 54 N. Central Ave., Campbell. As things are changing, we are changing and who knows how long any of us will be here, so we, in this way would like to honor them for their constant willingness and manner of good will to us all, Their Neighbors.

IN DEDICATION TO THE FINEST NEIGHBORS ANYONE COULD HAVE MR. & MRS. JAMES PROUT

"They are not called the Jones's but, They are the folks next door. And every day in every way, We like them more and more. We do not envy them their home, Their car or any gem, And ours is not the common goal, of keeping up with them. They may have many times as much, or less than we possess, But that does not annoy us when, It comes to Happiness. We simply like them for our friends, Who help us on our way, By being nice and taking time, To say "Hello" each day. By keeping up and furthering, Each civic enterprise, And always being ready when, Emergencies arise."

In appreciation for the many many kindnesses and favors you are doing for us constantly.

YOUR NEIGHBORS

P.S. If Miss Fablinger were here, she would sanction this too.

Thank you very much, Campbell Press, we appreciate you very much also.

City Staff is commended by County office

Robert A. Mason, Communications Director for the County of Santa Clara, has commended the Campbell City Clerk, Miss Dorothy Trevethen, and the City Staff, for the efficient manner in which important maps, street name changes, and similar information has been forwarded to the Communications Department in the past.

In a letter addressed to Miss Trevethen, Mason says, "With this information, our Mapping and Intelligence Sections have been able to provide our emergency dispatching center with the latest and most accurate information available to allow us to properly function in the rapid dispatching of police, fire, ambulances and other emergency equipment throughout the County."

Heavy rain causes flooding in many areas

Heavy rains and gale winds caused minor damage in the Campbell area Monday and Tuesday. Le Roy Black, Superintendent of Public Works, reported that he had a full crew working until nearly midnight Monday night. Water went over the West Campbell Avenue bridge at San Tomas Creek about 10 o'clock Monday night and flooded the street, but no damage was reported.

Hot wires were down near the Cherry Lane School and on Hamilton Avenue near Central blocking several lanes of traffic for a short period Monday afternoon. Trees were blown down on Railway, Kennedy, and Hazel Avenue. Black reported that streets were flooded as the result of the heavy rain which came in such a short time and filled the catch basins to over-capacity. Electricity was off for several minutes in the downtown area. Another storm is expected.

Jan. 31 is last day for filing wage reports

Employers of agricultural workers must file their wage reports for the fourth quarter of 1963 and send deductions made from their worker's wages for disability insurance during that period to Sacramento by January 31, 1964, Thomas C. Clark, Auditor in Charge for the State Department of Employment in San Jose, today reminded employers.

The law requires that any employer of agricultural labor who pays a total of more than $100 in wages during a calendar quarter must deduct one percent from his workers' wages and send the deductions to Sacramento along with his report of total wages paid.

Campbell Chamber Installation tomorrow night

Chamber of Commerce Installation Dinner chairman, Ron Tharp, and committee members Jack Dawson and Art Mayo have combined their talents to come up with an entertaining evening for tomorrow night! This year the annual dinner dance will be held at Villa Felice with a social hour preceding from 7:00 to 8:00 p.m. Rharp urges late comers to secure their tickets now. The Chamber of Commerce will accept reservations. Their number is 378-6252.

Public hearing to explain new ordinance

A public hearing has been called by Santa Clara Valley Water Conservation District to explain a proposed new ordinance to riparian owners along the streams within the Conservation District which have been used as a conduit to deliver surface waters to farmers. Beginning July 1st of this year there will be a charge made for all waters so delivered in lieu of the present ad valorem tax on land. The ordinance will set forth the rules under which this service will be operated, and how credit will be given for natural flow waters in the streams.

This proposed ordinance will affect only owners of land having riparian rights on the streams in which the Conservation District actually delivers its stored waters. The hearing will be held in Dunne Hall at the San Jose Civic Auditorium at 1:00 P.M., Monday, January 27, 1964.

Editorial

Why not do the job right?

Because of the interest that is mounting in the condemnation actions by the City, and because we are personally involved, we would like to clear our position and possibly the position of others who are affected or may soon become involved.

Our letter to the City Building Inspector and to each Councilman was written to show our position. Our question still remains the same. IF THE CITY IS GOING TO "CLEAN UP" WHY ALLOW ILLEGAL OPERATIONS TO MOVE INTO THE AREA?

We are under the impression that either intentionally or unintentionally, the City misconstrues our position and assures us that "We are not being picked on".

We realize that the easiest avenue for us to take is to demolish the building and forget the entire deal. For some reason we feel that we owe the citizens of Campbell just a little more than this...hence our "fight".

We received a letter dated October 4, 1963, informing us of the condemnation. Because we planned to comply with the order our decision to write the following letter came one month later.

November 4, 1963

Mr. W. L. Morser
Chief Building Inspector
City Hall
75 N. Central Avenue
Campbell California

Dear Mr. Morser:

On October 4, 1963, the City of Campbell Building Department notified me by mail that I had ninety days to demolish a house located at 98 Railway Avenue. Various reasons and substandard conditions for the condemnation were given.

I cannot disagree with the actions of the Building Department and also the Fire Department's suggestions. In fact, I agreed and had started to make the arrangements to raze the building. But in the interim, I accidently visited property in the immediate neighborhood and was astonished to find the type of buildings that are allowed to remain.

As I have stated, I have been for a complete clean-up of this particular area, but I feel it is grossly unfair to "spot condemn" and I would like to learn why the "worse" is not forced to come down first. In my opinion, it would be foolish to destroy (clean-up) my property only to have to wait for years to get any action for the rest of the area.

I realize that I can be accused of being prejudice, but if the members of the City Council would make a personal inspection and can report that mine is the first that should be demolished, I would be happy to comply. I feel that this would be in the interest of fair play.

I have wondered for the past ten years what has delayed this program. At the rate the City is moving, it will take years to clean this area.

I hereby notify you that I must refuse to demolish the building at 98 Railway only in the interest of the entire City of Campbell and with the hope that a concerted effort will come about.

I leave the decision of making this matter public to the City Officials. However, should the matter be put on a City Council agenda, I would appreciate being informed two weeks in advance.

Sincerely,
JOSEPH F. ANELLO

cc to: Thompson, Wietzel, Lico,
McElroy, Rogers, Doetsch

Since the date of our letter we have found that there have been over thirty condemnations issued, the majority of them in the Gilman, Dillon, Railway area. It seems that all of a sudden the rush was on. In our opinion, it shows no planning, just a lot of activity. In regard to this we should like to pose the following questions.

During the period the City Council appointed an Urban Redevelopment Director (W.E. Morser), what was accomplished?

Why are so many businesses allowed to open and operate in residential areas, against zoning ordinances?

We have it on good authority, that at least one business has operated with no city license for several years. The City Clerk's office was instructed to return the license fee by the building department. Why?

Has the Council given any consideration to the persons who have resided in Campbell for many years who will be affected by the "crash" condemnation program?

Wouldn't urban renewal consider the relocating of these people?

In our opinion, these are important questions. They should be of interest to the citizens of Campbell, especially since we are preparing for the election of three posts on the City Council. We feel that prospective candidates should consider these problems facing Campbell in order that our progress can be guided to a more stabilized plan rather than a hit or miss growth.

We have long advocated a "clean up" of the area just east of the railroad tracks to the creek. Our question is where have these city officials been for the past few years? It is our sincere belief that this project can be accomplished in such a manner that it would be beneficial to all concerned.

We all have a tendency to oversimplify the problems of another man's job particularly when it is one of professional diplomacy. But in turn State Department careerists have an equal tendency to overcomplicate and ignore such simple principles as "Never assume the defensive when you are right!"

The situation in Panama is a good example. We are taking a sound, world-wide propaganda thrashing simply because we have conceded to threats before and are now expected to do it again.

As part of the agreement giving Cuba her independence, Secretary of War Elihu Root drafted the famous Platt Amendment giving the U.S. the right to intervene against an invasion of Cuba. This was designed to protect the northern flank of the Atlantic approaches to the future Panama Canal. To appease Cuban radicals and prove we were not "imperialists" our diplomats abrogated the amendment in 1934. This was the first of many concessions affecting Panama.

We might have built the canal through Nicaragua had not the fledgling Republic of Panama pleaded so strongly. So we negotiated a treaty in 1903 giving us rights in perpetuity and the additional right to protect Panama (and ourselves) from invasion. Like the Cuban Platt Amendment this latter right fell as a concession to Panamanian radicals in 1936.

Under the treaty Panama granted water rights on the Chagres River to us for "operation of the canal". Now Panama wants to charge us $800 million and our diplomats may concede to let the World Court determine if we should pay for what we already own.

The custodians of our Latin American policy might profit from frequent attendance at bull fights. They would see the matador roundly jeered, ridiculed, and booed if he hesitated and failed to assert himself. On the other hand they would see the one who unhesitatingly performed the gory task before him receive the plaudits, cheers and floral tributes from people who admire a man who asserts himself.

The U. S. built the canal at great expense when others failed and the world has benefitted. We have kept our word and it has never been closed to any peaceful nation. We have treated Panama well and paid our bills. We hire Panamanian people at double the pay of their own country. They are housed well and their children get good educations. What then is there for which the U. S. should apologize? Why shouldn't we assert our rights?

In a defensive attitude and in eagerness to prove its innocence of "Imperialism" the United States joined other U.N. members in 1956 to condemn as "aggression" the effort of Britain, France and Israel to prevent Nasser from taking over another international canal. Now our State Department, apparently stuck with this 1956 policy, appears likely to recommend further concessions to Panama as an alternative to protecting what is rightfully ours. By doing so the Department will be laying the groundwork for losing the canal to international control. It will also be ignoring the lesson which every living Matador has learned and most dead ones forgot--"Never concede anything to the bull."

Local couple held on driving charges

Mrs. Iris Rose Fischer, 495 Sunnybrook Drive, Campbell, was arrested by Campbell Police Monday morning for delaying an officer in the performance of his duty. Mrs. Fischer was stopped by Officer Edward Fallgatter when he noticed her driving in excess of the posted speed limit on Campbell Avenue.

Officer Fallgatter also recognized the name and address of her husband, Robert J.D. Fischer, a passenger in the car, as having warrants out against him. Mrs. Fischer loudly protested the amount of time it took for the Police Officer to write the citation and when released, the Officer reported, she drove off at a high rate of speed. She was stopped again and both Mrs. Fischer and her husband were taken into custody.

Notice of refund and rate reductions for PG&E customers

In February we shall start distributing to our customers gas and electric refunds totaling more than $44,000,000 (this is in addition to the 1963 refund of approximately $15,000,000). These refunds came to PG&E from the El Paso Natural Gas Company, one of our major gas suppliers, and we are passing them on to you.

In addition, PG&E customers will receive reductions in gas and electric rates amounting to $7 million per year.

$35 MILLION GAS REFUND

PG&E residential customers and many commercial customers of record during December, 1963, will receive a refund in the form of a credit on their February bills. The average householder will receive a $9 to $10 refund based on gas used during September through December, 1963, billing periods. Large commercial customers and all industrial customers will receive refund checks or credits in April based on the amount of natural gas used during the period covered by the refund.

GAS RATE REDUCTIONS

A new $2.7 million gas rate reduction became effective December 30, 1963. This is the second gas rate reduction within 12 months—together they save the average householder $1.80 a year.

$9 MILLION ELECTRIC REFUND

During March, refunds will be distributed to PG&E electric customers. The average householder will receive a $1.20 refund credit on his March bill. Electric customers are benefiting from the gas refunds because of the large amount of natural gas used in our steam-electric generating plants.

ELECTRIC RATE REDUCTIONS

Early in 1964 PG&E proposes rate reductions of about $4.3 million, of which $2.5 million would be in lower rates for some 400,000 customers in areas where increased customer density has lowered unit costs of providing service. Also, large industrial power users will receive a $1.8 million rate adjustment to meet competitive conditions.

These benefits for PG&E customers result in large part from a refund and a wholesale gas rate reduction we received from the El Paso Natural Gas Company, climaxing litigation initiated by PG&E nine years ago. PG&E filed the original protest against El Paso wholesale gas rate increases in October 1954 and was soon joined by the California Public Utilities Commission and other utilities in pressing for the gas refunds and rate reductions recentlv received.

CHAIRMEN FOR MOTHER'S MARCH-- Mrs. Joan Barton, Campbell Community Chairman for the Mother's March for the National Foundation, March of Dimes campaign, points out the Campbell Area to the regional chairman, Mrs. Mary Lajala. The Mother's March is scheduled for Tuesday, Jan. 28, between 7 and 9 p.m.

Mothers to march Jan. 28 for National Foundation

Doorbells will ring next Tuesday, January 28, as volunteers participate in the annual Mothers' March to raise funds for the National Foundation-March of Dimes program in the fields of birth defects and arthritis.

News that a new Birth Defects Clinical Study Center is being established in this area brought additional inspiration to the Mothers' Marchers, who can already claim credit for underwriting the Salk and Sabin vaccines against poliomyelitis and for assisting with a grant for a Children's Arthritis Treatment Center at Stanford University School of Medicine. The latter was established last July with a $22,595 grant in which 19 county chapters of the National Foundation participate.

The Birth Defects Clinical Study Center will also be at the Stanford University School of Medicine. It is a $49,578 grant, made from the national office of the National Foundation, which receives one fourth of all funds raised by the March of Dimes, to be channeled into research.

Purpose of the Clinical Study Center is to provide the best care for birth defect children, with the aim to improve techniques and to teach medical personnel.

Marchers are still needed in this area, to call on their neighbors next Tuesday. Chairman is Mrs. Thomas A. Barton (248-1710). Or volunteers may call the chapter office, 292-3122.

George Payne PTA offers program

On Tuesday evening, January 28th., under the sponsorship of the George C. Payne School P.T.A., a panel of four teachers and a group of students will provide a survey and demonstration of some of the new trends in education related to: Mathematics, Science, Reading and Language Arts, and Foreign Language in the Elementary School.

The panel members of teachers will be Mrs. Deanna Scheler, Eugene Grant, Frank Rossi and Carl Bennett. Mr. Bennett will be assisted by his class of sixth graders.

Richard Groshong, Principal, and Earl D. Cartmill, President of the Payne School P.T.A. cordially invite all interested members of the public to attend. The meeting will be held at 8 p.m. at the George C. Payne School in the Kindergarten Room.

Foods from many lands served by 4-H Club

The first meeting of the Campbell 4-H Club's Special Interest Foods Group was held at the home of its leader, Mrs. Perley B. Payne. The evening honored our Community Club Leader, Rene Guenot and his family, and the parents of the Project members. Also present was an Iranian student from San Jose State College.

Junior Leader Starlene Burdick, daughter of Mr. and Mrs. Edward Burdick, started the International Dinner by serving Scandanavian hors d' oeuvres of Hot Cheese Rolls, Salmon stuffed eggs, and Sardine delight.

The entree for the evening was prepared by Rick Payne, son of Mr. and Mrs. P.B. Payne, and consisted of French Cog au Vin (Chicken and mushrooms in wine) served over home made noodles.

Steve Cox, son of Mr. and Mrs. Richard Cox, who is studying Outdoor Cookery, brought a vegetable dish of Scalloped Potatoes and Carrots.

The salad was prepared by Janice Burdick, who is studying foods of Spain, and consisted of Apple and Potato Salad which was served in hollowed out red apples.

The dinner was topped off by a delicious Hawaiian Cake of pineapple and cocoanut which was made by Lyneva Wrigglesworth, daughter of Mr. and Mrs. William Wrigglesworth.

Each of the members gave a report on their Project activity. The reports were interesting, the food was all delicious, and the entire evening was a complete success.

Dinner to honor Mrs. O'Reilly

Mrs. Charles O'Rielly, retiring president of St. Lucy's Young Ladies Institute #204, will be the guest of honor Thursday evening, January 30 at 7 p.m., at a dinner given at the Live Oak Inn in Los Gatos.

Chairman for the affair, Mrs. Peter Giorgianni, will be assisted by Mmes. Darrell Brittain, Joseph Boudreault, William Chicoine, William Chivers, Joseph DeFiglio, Jean Hawkins, William Huckell, Steve Laptalo, William Law, Gary Smith, Joseph Tumillo and Daniel Wolf.

Special guests include past presidents, Mmes. M.J. McCulloch, Ray Martin, Thomas Connolly, Paul Cusick, William DeRosa, George Gray, John Fleming, Velma Branigan and Frank Bush.

"Kismet" will be new production of Light Opera group

Campbell residents will be responsible for music direction, choreography and set construction for the coming San Jose Light Opera Association production of "Kismet," it was announced today by Mrs. Willard Morell, president.

Richard Gordon of 91 South Jane Ann Way will be music director. He is music director at Camden High School and has long been active in the SJLO. He last conducted for "Gypsy," the very successful show staged this fall.

Leilani Nye Welch of 146 Redding road, who has her own studio, will direct dancing in "Kismet." She has both danced and choreographed for SJLO, University of Santa Clara and Youth Village.

Russ Conn, 834 Lovel Avenue, will be in charge of set construction. He is a long-time SJLO worker.

"Kismet" is scheduled for February 28-29, March 6-7-13-14 in Montgomery Theater, little theater in the San Jose Civic Auditorium building. Casting is now being completed, and rehearsals will start immediately.

Faculty Wives meet tonight

The January 22 meeting of the Campbell High School Faculty Wives Club will be held in the home of Mrs. Farias, 74 Decorah Lane, Campbell, at 8 p.m. Assisting the hostess will be Mesdames Gordon Huntze and Robert Williams.

Guest for the evening will be Charles Waldron of the Famous Artist's School, Westport, Connecticut. Mr. Waldron will show an art film and will discuss art techniques and media.

The monthly business meeting will follow, conducted by the president, Mrs. John Trantham. Planning the yearly Dinner-Dance will be foremost on the agenda.

Bank of America doubles awards

Bank of America today doubled its cash awards program for junior college business students, from $100 to $200. The bank makes sixty-nine such awards to honor students from 35 northern California junior colleges each year.

D. C. Sutherland, senior vice president of the bank, said the increased awards program would offer further incentive and give recognition to meritorious performance in the classroom and on campus by students preparing for business careers.

The winners, one majoring in business administration and one in the secretarial or clerical skills, are selected by each college for their scholastic achievements and participation in campus activities.

The program complements, but is separate from, the bank's high school achievement awards.

St. Lucy's Altar Society to hold annual luncheon

St. Lucy's Altar Society will hold their annual luncheon next Wednesday noon at the Parish Hall. Mrs. Joseph Aversente, chairman, will be assisted by Mrs. Leslie Fairchild. This active group of approximately 100 women of St. Lucy's Parish have the responsibility of the church altar, which includes the decorating for special masses, the laundering of the linen, and the care of vestments. Mrs. Peter Tunstall is president of St. Lucy's Altar Society.

Mrs. Aversente, well known for her flower arrangements, will use white chrysanthemums at the tables. Reservations may be made with her by calling 378-4111 or with Mrs. Fairchild, 378-3258.

CAMPBELL UNION
SCHOOL DISTRICT
JANUARY 8, 1964
NOTICE TO
CONTRACTORS

The Board of Trustees of the Campbell Union School District of Santa Clara County, State of California, invites and will receive sealed proposals in the Office of the Board of Trustees, 155 North Third Street, Campbell, California, up until 4:00 P. M. February 4, 1964, at which time and place said bids will be opened and read in public for furnishing all labor and materials for construction of the following:

Marshall Lane School Addition No. 2 at 14114 Marilyn Lane, Saratoga, California, consisting of four (4) classrooms, Library and appurtenant facilities including site work.

Work must be done in strict accordance with plans and specifications prepared by and obtainable at the Office of the Architects, Higgins and Root, A.I.A., 400 Blossom Hill Road at Route 17, Los Gatos, California.

A deposit of $25.00 per set will be required from all contractors receiving plans, said deposit to be returned by the Architect when the plans and specifications are returned in good condition.

All bids are to be made out on forms furnished by the Architect. No bidder may withdraw his bid for a period of thirty (30) days after the time set for the opening thereof.

The Board of Trustees reserves the right to reject any or all bids and to waive any informality in any bid received.

Each bid must be accompanied by a certified check, cashier's check or bidder's bond made payable to the order of the Campbell Union School District in the amount of ten percent (10%) of the tendered bid as a guarantee that the bidder will, after being notified of the acceptance of his bid, enter into a contract with the Board of Trustees in accordance therewith.

The successful bidder will be required to furnish a bond for faithful performance in the amount of 100% of the contract price, and a bond for material and labor in the amount of 100% of the contract price.

The work to be performed under this Contract shall commence upon execution of the Contract, and shall be substantially completed within one hundred eighty (180) calendar days thereafter. Time shall be the essence of this agreement. The substantial completeness of the work to be performed shall be within the determination of the supervising Architect alone, and the parties signatory hereto agree that his determination shall be final.

Should said work not be completed within the time hereinabove stated there will be deducted from the final payment the sum of Fifty and No/100 ($50.00) Dollars per day as liquidated damages, but not as a penalty, for each days delay after the expiration of such period until the final physical completion of the work and its delivery to said Owner.

No alien shall be employed in the work. Workmen employed on said work must be paid not less than the latest prevailing scale of wages adopted by the Board of Supervisors of Santa Clara County, and are as follows:

Women's Service Club has contributed much to city

The Women's Service Club of Campbell is making final plans for their annual tea to be held in the Social Hall of the Methodist Church on February 5. This organization was formed many years ago by a group of twenty-four young women who met for the first time at the home of Mrs. E.R. Kennedy. The club included mothers of small children and young employed women in the community. The group also invited women in Campbell who were not affiliated with any particular Church in giving service to the Community.

Mrs. Mary Rodeck, granddaughter of Benjamin Campbell, founder of the City of Campbell, was elected the first president. The Club is now limited to forty active members. During the depression of 1929 the Women's Service Club handled much of the relief work in the community.

During the war, the large tables for bandage making were provided by the Campbell Service Club. The club was a strong supporter of the Summer Recreation Program at school and also sent many young people to various "Y" and Church camps. The purchase of a photo-copy machine for the Campbell Library is one of the latest gifts to the community.

Several years ago the club sponsored the West Hills Service Club and helped it get started. They are now a very active group.

Recently the club has been making needed articles for hospitals, assisting with mailing T. B. stamps and for several years they have entertained a ward at Agnew State Hospital at Christmas time with gifts and refreshments.

Perhaps the most outstanding contribution of the Women's Service Club to the cultural life of Campbell has been the annual Tea. Noted Artists are brought to Campbell and presented in a program or musical that has attracted people from the entire penninsula.

Two charter members, Mrs. E. R. Kennedy and Miss Winnie Grizzle still are in the club.

Noel Brown named secretary of Good Samaritan

Noel J. Brown, Campbell manufacturer, will be secretary of The Good Samaritan Hospital of Santa Clara Valley, as the result of elections last week at the non-profit hospital's annual meeting at Golden Doors Restaurant.

He will serve with Henry A. Oldenkamp, president; State Senator Clark Bradley, vice president; and William H. Mauel, treasurer. The other three were re-elected. Mr. Brown replaces the Rev. Romain Swedenburg.

Men's Fitness program set

The Men's Adult Fitness Program of the Campbell Union High School District will start new classes on Monday evening, February 3rd at Blackford and Leigh High Schools. Designed for men between the ages of 30 and 60 years, the classes will be conducted on Monday and Thursday evenings from 7:30 to 9:00 p.m.

The program which is in tune with the increased emphasis given to adult fitness by the President's Council on Fitness will be essentially physical conditioning; plus instruction concerning the major health benefits derived from regular exercise.

Activities include weight training, tests of motor fitness, home workout routines, and swimming.

Eddie Dove to be guest speaker at Hazelwood dinner

A sports theme will highlight the Hazelwood Father and Son Dinner which will be held in the school cafetorium January 31st, at 7 p.m. Special guest speaker will be well known Eddie Dove of the New York Giants. Dove was formally with the San Francisco Forty-Niners.

Sports movies will be shown and door prizes offered. Prices are one dollar for fathers and fifty cents for the sons. Anyone desiring ticket information may phone 378-6673.

Campbell wrestlers in second victory

On Friday, January 10, 1964, the Campbell High Varsity Wrestling team, coached by Rod MacDermott, scored their second straight league victory by defeating Blackford High by a 27 to 16 score.

This meet was highlighted by the match in the 165 pound class. Once defeated Paul Mijares of Campbell overcome previously undefeated Bob Hewitt of Blackford, 9 to 3.

On the same day the Campbell Junior Varsity had its 28 consecutive meet winning streak broken by Blackford with a 30 to 16 score.

On the following Saturday, January 11, Campbell fought the Hollister Hay-Bailers to a 26 to 26 draw in their Varsity matches, and a 27 to 26 win in the J.V. matches. This was a great victory for Campbell for Hollister previously had beaten Gilroy, who had handed Campbell its only loss, a 23 to 22 defeat.

Two Campbell boys tops in bowling

Bill Chapman and Kevin Tomkins, two Campbell High School students, are considered two of the most promising young bowlers in the Bay Area. Tomkins, team captain, carries a respectable 185 average, while Chapman anchors his team with a hefty 195 mark.

Just recently, Tomkins broke 600 in three straight matches within 20 hours. In a recent holiday American Junior Bowling Club Mailographic Singles Tourney Chapman bombed a sensational 278-699. On two separate occasions, both in open play, Chapman fired 300 perfect games.

Campbell's Basketball Coaches

"Campbell Grad Makes Good", could be the theme for this week's feature on Bert Robinson, Campbell High School Varsity Basketball Coach.

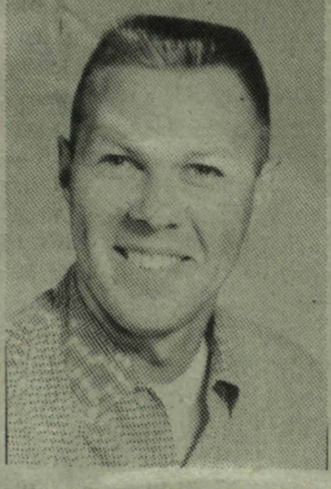
Coach Robinson is a graduate of the local high school and has coached the Basketball team for 15 years. When at Campbell as a student, Robinson lettered in football, basketball and track. He obtained his A.B. and M.A. degrees from San Jose State College. "This year's varsity team," Robinson said, "doesn't have much height, but the team does have depth and only time and more league games will tell the story."

BERT ROBINSON
Varsity Coach

Campbell High School's "B" Basketball Coach is Richard E. Halversen. Hailing from Buffalo, New York, Coach Halversen earned his B.S. and M.A. Degrees from Cal Poly. He also teaches Sophomore Science at the local high school.

Asked about this year's "B" team, Coach Halversen said that they could take the championship if "a supreme team effort" is made.

As for the future, he hopes to coach the Varsity Basketball team at the new Westmont High School opening next September. His second love is Biology.



RICHARD HALVERSEN
"B" Coach

Coach Halversen will be remembered at Camden High also, where he taught for three years prior to coming to Campbell High School.

Buc "B's" down Del Mar; 48 - 34

The Campbell B Basketball team played the Del Mar Dons on January 14, at Campbell. This game saw a tremendous exhibition of team play and of a hustling and determined ball club.

Campbell broke to a quick 12 to 8 first quarter lead but saw this dwindle down to a 25 to 19 half time score. The third quarter saw intense determination by Campbell bring the lead to over eight points and finally the victory with a 48 to 34 score.

Campbell standouts were the team itself but more specifically, Al Dwillis, Gary Porter, Duane Petersen, and Bill Gray.

Varsity cagers defeat the Dons

The Campbell Varsity Basketball team defeated the Del Mar Dons on January 14, for Campbell's second straight league victory. Campbell won the lead tip and dominated the first quarter, the score being 12 to 8 at the end of this period. The 2nd quarter ended at a 20 all tie but the first half showed a tremendous team effort on Campbell's part. The final score was Campbell 48 and Del Mar 40.

This game was highlighted by not one player but actually almost everyone involved. Campbell standouts were Murry Hall, Walt Hicks, Bob Burton,* John Woodmansee and the rest of the team.

*Watch for an article about Bob Burton in next week's Campbell Press.

OUR TOWN

By Grace Hebard

The Robert Mortensons of Villarita Drive attended the Crosby Golf Tournament at Pebble Beach recently as did Mr. and Mrs. Joaquin (Jack) Payne... the Jack Shirleys...the James Cardellinos.

. . . . . .

The Joseph Aversentes of Sunny Oaks Avenue have just returned from a delightful three week's vacation which took them to Lake Tahoe, Reno, Las Vegas, Arizona and Mexico. They were also the house guests of Joseph Maggio, known as the "Carrot King" of Imperial Valley.

. . . . . .

Campbell Community Hospital has removed its cigarette vending machine from the main lobby in recognition of the Surgeon General's report on the dangers of smoking to health. Patients are not prohibited from smoking, if they care too, however.

. . . . . .

Campbell Rotarians Ted Regas and Dr. Wallace W. Hall attended the San Francisco meeting of Rotary at the Sheraton-Palace Hotel recently when Carl P. Miller, President of Rotary International, was the guest speaker.

. . . . . .

Sad news from Alberquerque, New Mexico. Ted Perry, 1961 graduate of Camden High School, dying of cancer.

. . . . . .

The Don C. Howards of Old Orchard Road will entertain Mr. and Mrs. Maynard Morris of Oakland this week-end. The Morris's have just returned from a trip to Australia and New Zealand, where they visited Mr. Howard's brother who resides in a town near Sydney.

. . . . . .

Congratulations to Mr. and Mrs. Charles Willison, 244 Calado Avenue, on the arrival of Timothy Edward on January 10 at Campbell Community Hospital.

Congressman Gubser to speak at Republican dinner

Congressman Charles S. Gubser of Gilroy will be the featured speaker at the annual Lincoln Day Dinner to be held on Lincoln's birthday - February 12th at 8:00 PM - Cabana Motor Hotel in Palo Alto.

Geoffrey Van Loucks, San Jose Attorney has been appointed chairman for the affair. He has announced that reservations are now being taken and that tickets are available at Republican Headquarters, CY 7-4700.

Specialist to explain use of computors

Thomas Griffin, electronic computor specialist at Minneapolis-Honeywell, will open a lecture and discussion group, the first of its kind in this area, to illustrate the use of electronic computors as a tool in credit and billing, production control and supply, and material and stock control.

Explanations in everyday language will be directed to solutions of problems and not engineering aspects. Why, what, and how and advantages and disadvantages of this new system, effect on cost of operation or production will be featured. According to E. P. Stanley, Director of Adult Education, this class will be held at Camden Adult Center, 7-10 p.m., Thursday evenings, beginning February 6.

SOCIAL SECURITY

Questions and Answers

U.S. DEPARTMENT OF HEALTH, EDUCATION, AND WELFARE

By
Gladstone A. Boquist
Field Representative

Q.-I hire a maid one day a week at $5.00 per day. Rather than bother with deducting 3 5/8% of this money weekly, can I just pay the full 7 1/4% of the total wages myself at the end of the quarter when the report is due?

A.-Yes. You are only responsible for sending in the full amount of these social security taxes. If you desire to pay it all yourself, that is your privilege.

Q.-If I notify the Social Security Office of my new address, is it also necessary to notify the Post Office?

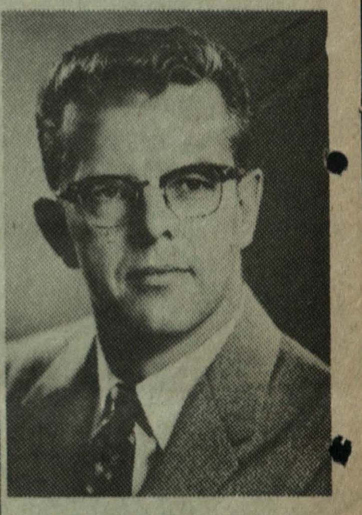
A.-Yes. Your notice may reach the Social Security Administration too late for your next check to be sent to your new address. The Post Office will then be able to forward the check to you.

Q.-If I move, should I have the ZIP code on the change of address card I send to the Social Security Administration?

A.-The ZIP code will expedite your mail and should be used whenever possible.

Q.-My husband died three years ago. I will become 62 years of age next month and would like to know if I should file my application for benefits now or wait until I am 62?

A.-You may file your application as much as three months before you reach age 62. We suggest you file at the earliest opportunity. You will need proof of your age, proof of your marriage and your husband's social security number when you call at our office. If you have a social security number of your own be sure to bring your card with you.



RESIGNS--Sherman Miller, Executive Vice President and Managing Officer of First Charter Financial Corporation's three Northern California savings and loan associations has resigned his post. Charles A. Wellman, President, will assume the vacated position.
